

# **“FLASH” RESCORING**

- ◆ **Revise incorrect credit data *A.S.A.P.***
- ◆ **Increase *FICO* scores within 72 hours**
- ◆ **Get your loans closed in a “Flash”**

Take advantage of “**Flash**” **Re-scoring** at *Cal Coast Credit Reports*. If your client’s credit report has any incorrect information reported on his or her credit report, this is your solution to getting the matter fixed in a flash.

“**Flash**” **Re-scoring** is a method of correcting and updating credit information directly by the reporting credit bureaus. The usual turnaround time for this unique service is usually within 72 hours from the time the required documents are received. Once the credit information is corrected, the FICO score will be affected accordingly, most of the times with an increase. No longer do you have to wait and rely on the creditors to update their information in the standard 30-day turnaround time.

## **Requirements-**

Any information that is to be corrected must be supported and accompanied by a letter on company letterhead from the issuing creditor.

The letter must include:

1. Contact name and phone number of person authorizing the changes.
2. The letter must state clearly what changes or updates are to be made.
3. Money orders, canceled checks, or receipts will not be accepted as supporting documents.
4. The cost for this service is \$20 per account per credit bureau.
